

The Hazelwood School District Early Education Preschool Program is designed to serve both typically developing children and those with special needs. For the 2011-2012 school year, HSD offers a choice of three or four half-day programs.

The annual fee is \$150 for three half-days and \$200 for four half-days. Program fee payments must be made at time of registration to ensure placement. Children are admitted to the program through a lottery system, which is held during the spring. Once the lottery is held, your child will be placed on a waiting list if no open slots are available.

To qualify, your child must be 3 years old by July 31, 2011, reside in the Hazelwood School District and have a DIAL-III screening.

If interested, please call (314) 953-7650 as soon as possible to schedule a screening.
