

Southeast Middle School 2011-2012 Supply List

Students will need notebooks for each subject (one per trimester), organized by color and subject area. Families may choose to purchase all notebooks at the beginning of the year with the understanding that many will not be used until January and March OR families may choose to purchase them at the beginning of each trimester when they are needed. A total of three spiral notebooks per subject will be needed for the entire year.

Spiral notebooks for each subject area:

- three single-subject blue spirals (communication skills)
- three single-subject red spirals (math)
- three single-subject green spirals (science)
- three single-subject yellow spirals (social studies)
- six single-subject purple spirals (exploratory classes) (two each trimester)

Two-pocket folders w/ prongs for loose-leaf paper for each subject area:

- two blue (communication skills)
- two red (math)
- one green (science)
- one yellow (social studies)
- six purple (exploratory) (two each trimester)
